

## About White Star Quarry

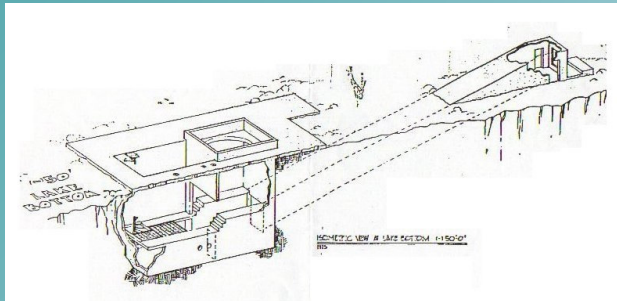

White Star Park in Sandusky County, Ohio is an 800 acre parcel located in Gibsonburg, Ohio . On the park property, White Star Quarry is a 15 acre lake set up for swimmers and scuba divers. With fantastic visibility, and an average depth of 45', this quarry offers incredible underwater beauty and scenery. Underwater, the intrepid explorer can find, sunken boats, quarry artifacts, forests and fish. The Stone Crusher of the quarry was subterranean and offers the diver an 80' dive that is a very unique experience. There are a number of training platforms for practicing your diving skills and a scuba concession open weekends.

Sailboat complete with masts and rigging is sunk at White Star Quarry.

Three training platforms are up during the summer and super popular for instructors and students wanting to practice their dive skills.

The crusher Pit, Tunnel and Block house are some of the most unique underwater features found submerged in any Midwest quarry.

Scuba Diving at White Star Quarry is considered to be the best inland diving that Northern Ohio has to offer. The water is clear and calm and many divers enjoy the warm waters in the summer time. Like you, the staff of Divers Incorporated - White Star, the scuba concession operators at White Star Quarry are outdoor enthusiasts, nature lovers, and Divers. Like you, we want a place to dive that is local, convenient and understands that our recreational activities are important to us. We also want a place where we can socialize with divers and non-divers alike. At White Star Quarry **you are welcome to bring your Friends and Family (and even your dog) at NO CHARGE!** This is just one of the things that makes White Star Quarry different from other quarries; there is only a fee for diving and swimming.

The Scuba Concession at White Star Quarry is operated by Divers Incorporated. For fees, pricing, and special announcements check out the quarry's website at
