

White Star Quarry 2023 Instructor Program

The 2022 Program: For many years the professional diving instructors who bring their students to White Star Quarry have been able to dive with their students for free. We are so excited to be able to announce that we have flush toilets, changing rooms at the quarry and showers at the Campgrounds for 2022. Also continued for 2022 is the ability to obtain a permit to solo dive for people who have a recognized certification. Please Note: **"Instructor" is NOT a recognized solo certification.**

Divers Incorporated - White Star is also happy to announce that the instructor program will continue for 2022. Instructors will also benefit with a discounted air fill price and a special Nitrox fill price with a properly labeled tank and a copy of their Instructor Pass. PLEASE NOTE: Your privilege to dive for free is while you are supervising other divers. It was never the intent of this program to allow you to dive for free without acting as a supervisor. **We want you to bring people diving with you.**
